

## OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Updated 8/11/2020

Under ODE’s **Ready Schools, Safe Learners** guidance, each school<sup>1</sup> has been directed to submit a plan to the district<sup>2</sup> in order to provide on-site and/or hybrid instruction. Districts must submit each school’s plan to the local school board and make the plans available to the public. This form is to be used to document a district’s, school’s or program’s plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the [Ready Schools, Safe Learners guidance](#) document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of, but not limited to school-based administrators, teachers and school staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation,<sup>3</sup> parents and others for purposes of providing expertise, developing broad understanding of the health protocols and carrying out plan implementation.

1. Please fill out information:

SCHOOL/DISTRICT/PROGRAM INFORMATION	
Name of School, District or Program	J Bar J Learning Center-Boys Ranch Campus and J5 Program
Key Contact Person for this Plan	Pam Price
Phone Number of this Person	541-408-6361
Email Address of this Person	pprice@jbarj.org
Sectors and position titles of those who informed the plan	Academic Director, CEO/President J Bar J Youth Services, Vice-President of Programs, Consultant for Work Safety Services, Site Supervisor J5 Program, Program Manager Boys Ranch, Deschutes County Health Department
Local public health office(s) or officer(s)	Deschutes County Health Department
Name of person Designated to Establish, Implement and Enforce Physical Distancing Requirements	Bruce Waldrup
Intended Effective Dates for this Plan	Immediately through June 15,
ESD Region	High Desert ESD

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

<sup>1</sup> For the purposes of this guidance: “school” refers to all public schools, including public charter schools, public virtual charter schools, alternative education programs, private schools and the Oregon School for the Deaf. For ease of readability, “school” will be used inclusively to reference all of these settings.

<sup>2</sup> For the purposes of this guidance: “district” refers to a school district, education service district, public charter school sponsoring district, virtual public charter school sponsoring district, state sponsored public charter school, alternative education programs, private schools, and the Oregon School for the Deaf.

<sup>3</sup> Tribal Consultation is a separate process from stakeholder engagement; consultation recognizes and affirms tribal rights of self-government and tribal sovereignty, and mandates state government to work with American Indian nations on a [government-to-government](#) basis.

Both J Bar J Boys Ranch School and J5 Programs are residential treatment programs contracted with the Oregon Youth Authority (OYA). All students we serve are adjudicated and court ordered to attend our programs for treatment. As a program under OYA guidance, similar to a Detention or Corrections program, our students have been quarantined during the COVID-19 crisis and have minimal interactions with the surrounding public community. Both facilities are residential, with students living in dorm or family style housing. We meet the definition of being a “household” or “family unit.” In-person instruction is an integral part of both J Bar J’s treatment milieu, and serves the special behavioral and treatment needs of our students. In addition, 33% of our students qualify for an Individual Education Plan and are students who require in-person learning opportunities to meet their designated goals.

J Bar J has been in regular contact with Deschutes County Health Department and Department of Human Services. J Bar J Safety Committee has addressed COVID preparedness for all staff. A Pandemic Plan has been developed to address preparedness based on state and local guidelines. All stakeholders are being updated on a regular basis as plans develop.

Our decision for On-Site learning is informed by the COVID 19 Metrics Explainer found on the ODE Ready Schools Safe Learners website. “For Youth Correctional and Juvenile Detention Programs: This metric may exclude cases associated with corrections and detention facilities and other settings without direct association with community spread. Conversely, the decision to open youth correctional and Juvenile Detention education programs to in-person instruction should be made based on the spread of COVID-19 within the specific correction or detention facility.” To date, neither the J Bar J Boys Ranch nor the J5 Parole and Probation Revocation facility has had a diagnosed case of COVID-19 among students or staff and are taking all recommended safety precautions for prevention.

J Bar J maintains a rigorous infection control and prevention program, which is regularly updated to reflect current CDC guidance. Measures have been implemented to protect our employees, families/guardians, POs, and the surrounding community.

3. Indicate which instructional model will be used.

*Select One:*

**On-Site Learning**       **Hybrid Learning**       **Comprehensive Distance Learning**

4. If you selected Comprehensive Distance Learning, you only have to fill out the green portion of the Operational Blueprint for Reentry (i.e., page 2 in the initial template).
5. If you selected On-Site Learning or Hybrid Learning, you have to fill out the blue portion of the Operational Blueprint for Reentry (i.e., pages 3-16 in the initial template) and [submit online](https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a). (<https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a>) by August 17, 2020 or prior to the beginning of the 2020-21 school year.

\* **Note:** Private schools are required to comply with only sections 1-3 of the *Ready Schools, Safe Learners* guidance.

## **REQUIREMENTS FOR COMPREHENSIVE DISTANCE LEARNING OPERATIONAL BLUEPRINT**

*This section must be completed by any school that is seeking to provide instruction through Comprehensive Distance Learning.*

*Schools providing On-Site or Hybrid Instructional Models do not need to complete this section.*

Describe why you are selecting Comprehensive Distance Learning as the school's Instructional Model for the effective dates of this plan.

In completing this portion of the Blueprint you are attesting that you have reviewed the Comprehensive Distance Learning Guidance. [Here is a link to the overview of CDL Requirements.](#) Please name any requirements you need ODE to review for any possible flexibility or waiver.

Describe the school's plan, including the anticipated timeline, for returning to Hybrid Learning or On-Site Learning consistent with the *Ready Schools, Safe Learners* guidance.

*The remainder of this operational blueprint is not applicable to schools operating a Comprehensive Distance Learning Model.*

## ESSENTIAL REQUIREMENTS FOR HYBRID / ON-SITE OPERATIONAL BLUEPRINT

*This section must be completed by any school that is providing instruction through On-Site or Hybrid Instructional Models.*

*Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.*

### 0. Community Health Metrics

#### METRICS FOR ON-SITE OR HYBRID INSTRUCTION

- The school currently meets the required metrics to successfully reopen for in-person instruction in an On-Site or Hybrid model. *If this box cannot yet be checked, the school must return to Comprehensive Distance Learning but may be able to provide some in-person instruction through the exceptions noted below.*

#### EXCEPTIONS FOR SPECIFIC IN-PERSON INSTRUCTION WHERE REQUIRED CONDITIONS ARE MET

- The school currently meets the exceptions required to provide in-person person education for students in grades K-3 (see section 0d(1) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required to provide limited in-person instruction for specific groups of students (see section 0d(2) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for remote or rural schools in larger population counties to provide in-person instruction (see section 0d(3) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for smaller population counties to provide in-person instruction (see section 0d(4) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for schools in low population density counties (see section 0d(5) of the **Ready Schools, Safe Learners** guidance).
- The school currently meets the exceptions required for small districts to provide in-person instruction (see section 0d(6) of the **Ready Schools, Safe Learners** guidance).

## ESSENTIAL REQUIREMENTS FOR HYBRID / ON-SITE OPERATIONAL BLUEPRINT

*This section must be completed by any school that is providing instruction through On-Site or Hybrid Instructional Models. Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section.*

### 1. Public Health Protocols

#### 1a. COMMUNICABLE DISEASE MANAGEMENT PLAN FOR COVID-19

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Implement measures to limit the spreads of COVID-19 within the school setting.	J Bar J has updated and follows its <b>Communicable Disease Management Plan</b> pertaining to COVID-19 universal precautions and OSHA’s guidance on preparing workplaces for COVID-19.
<input checked="" type="checkbox"/> Update written Communicable Disease Management Plan to specifically address the prevention of the spread of COVID-19.	J Bar J follows the Communicable Disease Guidelines outlined by the Oregon Health Authority.
<input checked="" type="checkbox"/> Designate a person at each school to establish, implement and enforce physical distancing requirements, consistent with this guidance and other guidance from OHA.	Ashley Jones and Jill Johnson from Deschutes County Health Department.
<input checked="" type="checkbox"/> Include names of the LPHA staff, school nurses, and other medical experts who provided support and resources to the district/school policies and plans. Review relevant local, state, and national evidence to inform plan.	Staff are trained at “all staff meetings.” Written updates are sent to all employees.
<input checked="" type="checkbox"/> Process and procedures established to train all staff in sections 1 - 3 of the <b>Ready Schools, Safe Learners</b> guidance. Consider conducting the training virtually, or, if in-person, ensure physical distancing is maintained to the maximum extent possible.	Program manager will contact designee at Deschutes County Health Department.
<input checked="" type="checkbox"/> Protocol to notify the local public health authority ( <a href="#">LPHA Directory by County</a> ) of any confirmed COVID-19 cases among students or staff.	J Bar J will follow <b>Cleaning and Disinfecting Plan</b> .
<input checked="" type="checkbox"/> Plans for systematic disinfection of classrooms, offices, bathrooms and activity areas.	Program manager will contact designee at Deschutes County Health Department.
<input checked="" type="checkbox"/> Process to report to the LPHA any cluster of any illness among staff or students.	
<input checked="" type="checkbox"/> Protocol to cooperate with the LPHA recommendations and provide all logs and information in a timely manner.	
<input checked="" type="checkbox"/> Protocol for screening students and staff for symptoms (see section 1f of the <b>Ready Schools, Safe Learners</b> guidance).	
<input checked="" type="checkbox"/> Protocol to isolate any ill or exposed persons from physical contact with others.	A separate residential area has been designated for isolation cases.
<input checked="" type="checkbox"/> Protocol for communicating potential COVID-19 cases to the school community and other stakeholders (see section 1e of the <b>Ready Schools, Safe Learners</b> guidance).	Program is in regular contact with POs, Oregon Youth Authority Officials and families and guardians.
<input checked="" type="checkbox"/> Create a system for maintaining daily logs for each student/cohort for the purposes of contact tracing. This system needs to be made	

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>in consultation with a school/district nurse or an LPHA official. Sample logs are available as a part of the <a href="#">Oregon School Nurses Association COVID-19 Toolkit</a>.</p> <ul style="list-style-type: none"> <li>• If a student(s) is part of a stable cohort (a group of students that are consistently in contact with each other or in multiple cohort groups) that conform to the requirements of cohorting (see section 1d of the <i>Ready Schools, Safe Learners</i> guidance), the daily log may be maintained for the cohort.</li> <li>• If a student(s) is not part of a stable cohort, then an individual student log must be maintained.</li> </ul> <p><input checked="" type="checkbox"/> Required components of individual daily student/cohort logs include:</p> <ul style="list-style-type: none"> <li>• Child’s name</li> <li>• Drop off/pick up time</li> <li>• Parent/guardian name and emergency contact information</li> <li>• All staff (including itinerant staff, district staff, substitutes, and guest teachers) names and phone numbers who interact with a stable cohort or individual student</li> </ul> <p><input checked="" type="checkbox"/> Protocol to record/keep daily logs to be used for contact tracing for a minimum of four weeks to assist the LPHA as needed.</p> <p><input checked="" type="checkbox"/> Process to ensure that all itinerant and all district staff (maintenance, administrative, delivery, nutrition, and any other staff ) who move between buildings keep a log or calendar with a running four-week history of their time in each school building and who they were in contact with at each site.</p> <p><input checked="" type="checkbox"/> Process to ensure that the school reports to and consults with the LPHA regarding cleaning and possible classroom or program closure if anyone who has entered school is diagnosed with COVID-19.</p> <p><input checked="" type="checkbox"/> Protocol to respond to potential outbreaks (see section 3 of the <i>Ready Schools, Safe Learners</i> guidance).</p>	<p>A daily log is kept for non-staff entering the campus for contact tracing purposes. Visitors and volunteers are unable to work in the classrooms at this time. Staff are limited to essential personnel only. Home visits have been eliminated and on-site family visits are limited and dependent on social distancing measures and hygiene procedures.</p>

**1b. HIGH-RISK POPULATIONS**

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Serve students in high-risk population(s) whether learning is happening through On-Site, Hybrid (partially On-Site and partially Comprehensive Distance Learning models), or Comprehensive Distance Learning models.</p> <p><b>Medically Fragile, Complex and Nursing-Dependent Student Requirements</b></p> <p><input checked="" type="checkbox"/> All districts must account for students who have health conditions that require additional nursing services. Oregon law (<a href="#">ORS 336.201</a>) defines three levels of severity related to required nursing services:</p> <ol style="list-style-type: none"> <li>1. Medically Complex: Are students who may have an unstable health condition and who may require daily professional nursing services.</li> </ol> <p><input checked="" type="checkbox"/> Staff and school administrators, in partnership with school nurses, or other school health providers, should work with interdisciplinary teams to address individual student needs. The school registered nurse (RN) is responsible for nursing care provided to individual students as outlined in ODE guidance and state law:</p> <ul style="list-style-type: none"> <li>• Communicate with parents and health care providers to determine return to school status and current needs of the student.</li> <li>• Coordinate and update other health services the student may be receiving in addition to nursing services. This</li> </ul>	<p>All staff and students have the opportunity to self-identify as vulnerable or living with a vulnerable family member.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>may include speech language pathology, occupational therapy, physical therapy, as well as behavioral and mental health services.</p> <ul style="list-style-type: none"> <li>• Modify Health Management Plans, Care Plans, IEPs, or 504 or other student-level medical plans, as indicated, to address current health care considerations.</li> <li>• The RN practicing in the school setting should be supported to remain up to date on current guidelines and access professional support such as evidence-based resources from the Oregon School Nurses Association.</li> <li>• Service provision should consider health and safety as well as legal standards.</li> <li>• Work with an interdisciplinary team to meet requirements of ADA and FAPE.</li> <li>• High-risk individuals may meet criteria for exclusion during a local health crisis.</li> <li>• Refer to updated state and national guidance and resources such as: <ul style="list-style-type: none"> <li>○ U.S. Department of Education Supplemental Fact Sheet: Addressing the Risk of COVID-19 in Preschool, Elementary and Secondary Schools While Serving Children with Disabilities from March 21, 2020.</li> <li>○ ODE guidance updates for Special Education. Example from March 11, 2020.</li> <li>○ OAR 581-015-2000 Special Education, requires districts to provide ‘school health services and school nurse services’ as part of the ‘related services’ in order ‘to assist a child with a disability to benefit from special education.’</li> <li>○ OAR 333-019-0010 Public Health: Investigation and Control of Diseases: General Powers and Responsibilities, outlines authority and responsibilities for school exclusion.</li> </ul> </li> </ul>	

**1c. PHYSICAL DISTANCING**

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require use of all space in the calculation. This also applies for professional development and staff gatherings.</li> <li>☒ Support physical distancing in all daily activities and instruction, maintaining at least six feet between individuals to the maximum extent possible.</li> <li>☒ Minimize time standing in lines and take steps to ensure that six feet of distance between students is maintained, including marking spacing on floor, one-way traffic flow in constrained spaces, etc.</li> <li>☒ Schedule modifications to limit the number of students in the building (e.g., rotating groups by days or location, staggered schedules to avoid hallway crowding and gathering).</li> <li>☒ Plan for students who will need additional support in learning how to maintain physical distancing requirements. Provide instruction; don’t employ punitive discipline.</li> <li>☒ Staff should maintain physical distancing during all staff meetings and conferences, or consider remote web-based meetings.</li> </ul>	<p>The two Boys Ranch classrooms have a maximum capacity of 15 students each. The two J5 Program classrooms have a maximum capacity of 12 students. All of our classrooms have the required minimum of 35 square feet per person. Markers on the floor help create physical distancing. Students have assigned seating to maximum social distancing. All surfaces are regularly cleaned and sanitized as per our Cleaning and Disinfecting Plan.</p> <p>School staff are required to wear masks or face shields at all times while working with students. Students are required to wear masks or face shields when maintaining social distancing is impractical.</p>

**1d. COHORTING**

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Where feasible, establish stable cohorts: groups should be no larger than can be accommodated by the space available to provide 35 square feet per person, including staff. <ul style="list-style-type: none"> <li>• The smaller the cohort, the less risk of spreading disease. As cohort groups increase in size, the risk of spreading disease increases.</li> </ul> </li> <li>☒ Students cannot be part of any single cohort, or part of multiple cohorts that exceed a total of 100 people within the educational week. Schools should plan to limit cohort sizes to allow for efficient contact-tracing and minimal risk for exposure.</li> <li>☒ Each school must have a system for daily logs to ensure contact tracing among the cohort (see section 1a of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li>☒ Minimize interaction between students in different stable cohorts (e.g., access to restrooms, activities, common areas). Provide access to All Gender/Gender Neutral restrooms.</li> <li>☒ Cleaning and wiping surfaces (e.g., desks, door handles, etc.) must be maintained between multiple student uses, even in the same cohort.</li> <li>☒ Design cohorts such that all students (including those protected under ADA and IDEA) maintain access to general education, grade level learning standards, and peers.</li> <li>☒ Staff who interact with multiple stable cohorts must wash/sanitize their hands between interactions with different stable cohorts.</li> </ul>	<p>See above.</p> <p>Students have access to restroom break as needed one student at a time in both locations.</p> <p>Surfaces are cleaned at each break time. Students and staff wash/sanitize hands as they re-enter classroom.</p>

#### 1e. PUBLIC HEALTH COMMUNICATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Communicate to staff at the start of On-Site instruction and at periodic intervals explaining infection control measures that are being implemented to prevent spread of disease.</li> <li>☒ Develop protocols for communicating with students, families and staff who have come into close contact with a confirmed case. <ul style="list-style-type: none"> <li>• The definition of exposure is being within 6 feet of a COVID-19 case for 15 minutes (or longer).</li> </ul> </li> <li>☒ Develop protocols for communicating immediately with staff, families, and the community when a new case(s) of COVID-19 is diagnosed in students or staff members, including a description of how the school or district is responding.</li> <li>☒ Provide all information in languages and formats accessible to the school community.</li> </ul>	<p>Communication will be shared with staff, parents/guardians, and all stakeholders explaining cautionary measures and identified cases as they occur.</p> <p>A risk assessment is to be completed to evaluate the workplace exposure and risks of COVID-19.</p>

#### 1f. ENTRY AND SCREENING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Direct students and staff to stay home if they, or anyone in their homes or community living spaces, have COVID-19 symptoms, or if anyone in their home or community living spaces has COVID-19. COVID-19 symptoms are as follows: <ul style="list-style-type: none"> <li>• Primary symptoms of concern: cough, fever (of greater than 100.4°F) or chills, shortness of breath, or difficulty breathing.</li> <li>• Note that muscle pain, headache, sore throat, new loss of taste or smell, diarrhea, nausea, vomiting, nasal congestion, and runny nose are also symptoms often associated with COVID-19. More information about COVID-19 symptoms is available <a href="#">from CDC</a>.</li> <li>• In addition to COVID-19 symptoms, students should be excluded from school for signs of other infectious diseases, per existing school policy and protocols. See pages 9-12 of <a href="#">OHA/ODE Communicable Disease Guidance</a>.</li> </ul> </li> </ul>	<p>Staff are directed to stay home if exhibiting symptoms. Students will be visually screened for symptoms.</p> <p>Staff is assigned at entries to classrooms.</p> <p>Handwashing stations and hand sanitizer are available in the classroom.</p> <p>Students displaying COVID symptoms and will be quarantined per health department recommendations.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>• Emergency signs that require immediate medical attention:               <ul style="list-style-type: none"> <li>○ Trouble breathing</li> <li>○ Persistent pain or pressure in the chest</li> <li>○ New confusion or inability to awaken</li> <li>○ Bluish lips or face</li> <li>○ Other severe symptoms</li> </ul> </li> <li>☒ Screen all students and staff for symptoms on entry to bus/school every day. This can be done visually and/or with confirmation from a parent/caregiver/guardian. Staff members can self-screen and attest to their own health.               <ul style="list-style-type: none"> <li>• Anyone displaying or reporting the primary symptoms of concern must be isolated (see section 1i of the <b>Ready Schools, Safe Learners</b> guidance) and sent home as soon as possible.</li> <li>• They must remain home until 24 hours after fever is gone (without use of fever reducing medicine) and other symptoms are improving.</li> </ul> </li> <li>☒ Follow LPHA advice on restricting from school any student or staff known to have been exposed (e.g., by a household member) to COVID-19 within the preceding 14 calendar days.</li> <li>☒ Staff or students with a chronic or baseline cough that has worsened or is not well-controlled with medication should be excluded from school. Do not exclude staff or students who have other symptoms that are chronic or baseline symptoms (e.g., asthma, allergies, etc.) from school.</li> <li>☒ Hand hygiene on entry to school every day: wash with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.</li> </ul>	

### 1g. VISITORS/VOLUNTEERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Restrict non-essential visitors/volunteers.</li> <li>☒ Visitors/volunteers must wash or sanitize their hands upon entry and exit.</li> <li>☒ Visitors/volunteers must maintain six-foot distancing, wear face coverings, and adhere to all other provisions of this guidance.</li> <li>☒ Screen all visitors/volunteers for symptoms upon every entry. Restrict from school property any visitor known to have been exposed to COVID-19 within the preceding 14 calendar days.</li> </ul>	<p>All non-essential visitors will be restricted.</p> <p>Masks are mandated for all visitors and contractors.</p> <p>A contact tracing log will be maintained for all visitors or contractors.</p> <p>Video or telephone conferences, visitations, tours will be maximized.</p> <p>All staff, visitors, and contractors are required to practice good hand washing procedures when entering the building.</p>

### 1h. FACE COVERINGS, FACE SHIELDS, AND CLEAR PLASTIC BARRIERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Face coverings or face shields for all staff, contractors, other service providers, or visitors or volunteers following <a href="#">CDC guidelines Face Coverings</a>.</li> <li>☒ Face coverings or face shields for all students in grades Kindergarten and up following <a href="#">CDC guidelines Face Coverings</a>.</li> <li>☒ If a student removes a face covering, or demonstrates a need to remove the face covering for a short-period of time, the school/team must:</li> <li>☒ Face masks for school RNs or other medical personnel when providing direct contact care and monitoring of staff/students displaying symptoms. School nurses should also wear appropriate Personal Protective Equipment (PPE) for their role.</li> </ul> <p><b>Protections under the ADA or IDEA</b></p> <ul style="list-style-type: none"> <li>☒ If any student requires an accommodation to meet the requirement for face coverings, districts and schools should work to limit the student's proximity to students and staff to the extent</li> </ul>	<p>Staff, students, and visitors are required to wear masks or face shields when physical distancing cannot be maintained.</p> <p>COVID -19 precautions are regularly reviewed with staff and students.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>possible to minimize the possibility of exposure. Appropriate accommodations could include:</p> <ul style="list-style-type: none"> <li>• Offering different types of face coverings and face shields that may meet the needs of the student.</li> <li>• Spaces away from peers while the face covering is removed; students should not be left alone or unsupervised.</li> <li>• Short periods of the educational day that do not include wearing the face covering, while following the other health strategies to reduce the spread of disease;</li> <li>• Additional instructional supports to effectively wear a face covering;</li> </ul> <p><input checked="" type="checkbox"/> For students with existing medical conditions, doctor’s orders to not wear face coverings, or other health related concerns, schools/districts <b>must not</b> deny access to On-Site instruction.</p> <p><input checked="" type="checkbox"/> Schools and districts must comply with the established IEP/504 plan prior to the closure of in-person instruction in March of 2020.</p> <ul style="list-style-type: none"> <li>• If a student eligible for, or receiving services under a 504/IEP, <b>cannot</b> wear a face covering due to the nature of the disability, the school or district must: <ol style="list-style-type: none"> <li>1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student’s plan including on-site instruction with accommodations or adjustments.</li> <li>2. Placement determinations cannot be made due solely to the inability to wear a face covering.</li> <li>3. Plans should include updates to accommodations and modifications to support students.</li> </ol> </li> <li>• Students protected under ADA/IDEA, who abstain from wearing a face covering, or students whose families determine the student will not wear a face covering, the school or district must: <ol style="list-style-type: none"> <li>1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student’s plan.</li> <li>2. The team must determine that the disability is not prohibiting the student from meeting the requirement. <ul style="list-style-type: none"> <li>• If the team determines that the disability is prohibiting the student from meeting the requirement, follow the requirements for students eligible for, or receiving services under, a 504/IEP who cannot wear a face covering due to the nature of the disability,</li> <li>• If a student’s 504/IEP plan included supports/goals/instruction for behavior or social emotional learning, the school team must evaluate the student’s plan prior to providing instruction through Comprehensive Distance Learning.</li> </ul> </li> <li>3. Hold a 504/IEP meeting to determine equitable access to educational opportunities which may include limited on-site instruction, on-site instruction with accommodations, or Comprehensive Distance Learning.</li> </ol> </li> </ul>	

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Districts must consider child find implications for students who are not currently eligible for, or receiving services under, a 504/IEP who demonstrate an inability to consistently wear a face covering or face shield as required. Ongoing inability to meet this requirement may be evidence of the need for an evaluation to determine eligibility for support under IDEA or Section 504.</li> <li>☒ If a staff member requires an accommodation for the face covering or face shield requirements, districts and schools should work to limit the staff member's proximity to students and staff to the extent possible to minimize the possibility of exposure.</li> </ul>	

**1i. ISOLATION MEASURES**

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Protocols for exclusion and isolation for sick students and staff whether identified at the time of bus pick-up, arrival to school, or at any time during the school day.</li> <li>☒ Protocols for screening students, as well as exclusion and isolation protocols for sick students and staff identified at the time of arrival or during the school day. <ul style="list-style-type: none"> <li>• Work with school nurses, health care providers, or other staff with expertise to determine necessary modifications to areas where staff/students will be isolated.</li> <li>• Consider required physical arrangements to reduce risk of disease transmission.</li> <li>• Plan for the needs of generally well students who need medication or routine treatment, as well as students who may show signs of illness.</li> </ul> </li> <li>☒ Students and staff who report or develop symptoms must be isolated in a designated isolation area in the school, with adequate space and staff supervision and symptom monitoring by a school nurse, other school-based health care provider or school staff until they are able to go home. Anyone providing supervision and symptom monitoring must wear appropriate face covering or face shields. <ul style="list-style-type: none"> <li>• School nurse and health staff in close contact with symptomatic individuals (less than six feet) should wear a medical-grade face mask. Other Personal Protective Equipment (PPE) may be needed depending on symptoms and care provided. Consult a nurse or health care professional regarding appropriate use of PPE. Any PPE used during care of a symptomatic individual should be properly removed and disposed of prior to exiting the care space.</li> <li>• After removing PPE, hands should be immediately cleaned with soap and water for at least 20 seconds. If soap and water are not available, hands can be cleaned with an alcohol-based hand sanitizer that contains 60-95% alcohol.</li> <li>• If able to do so safely, a symptomatic individual should wear a face covering.</li> <li>• To reduce fear, anxiety, or shame related to isolation, provide a clear explanation of procedures, including use of PPE and handwashing.</li> </ul> </li> <li>☒ Establish procedures for safely transporting anyone who is sick to their home or to a health care facility.</li> </ul>	<p>Any student or staff who develops symptoms of COVID 19 will follow J Bar J's isolation protocol. Staff will go home and quarantine per health department guidelines. Students will be moved to a designation isolation area.</p> <p>The Health Department will be notified and COVID 19 testing will be sought.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Staff and students who are ill must stay home from school and must be sent home if they become ill at school, particularly if they have COVID-19 symptoms.               <ul style="list-style-type: none"> <li>• Symptomatic staff or students should be evaluated and seek COVID-19 testing from their regular physician or through the local public health authority.</li> <li>• If they have a positive COVID-19 viral (PCR) test result, the person should remain home for at least 10 days after illness onset and 24 hours after fever is gone, without use of fever reducing medicine, and other symptoms are improving.</li> <li>• If they have a negative COVID-19 viral test (and if they have multiple tests, all tests are negative), they should remain home until 24 hours after fever is gone, without use of fever reducing medicine, and other symptoms are improving.</li> <li>• If a clear alternative diagnosis is identified as the cause of the person’s illness (e.g., a positive strep throat test), then usual disease-specific return-to-school guidance should be followed and person should be fever-free for 24 hours, without use of fever reducing medicine. A physician note is required to return to school, to ensure that the person is not contagious.</li> <li>• If they do not undergo COVID-19 testing, the person should remain at home for 10 days and until 24 hours after fever is gone, without use of fever reducing medicine, and other symptoms are improving.</li> </ul> </li> <li><input checked="" type="checkbox"/> Involve school nurses, School Based Health Centers, or staff with related experience (Occupational or Physical Therapists) in development of protocols and assessment of symptoms (where staffing exists).</li> <li><input checked="" type="checkbox"/> Record and monitor the students and staff being isolated or sent home for the LPHA review.</li> </ul>	

## 2. Facilities and School Operations

Some activities and areas will have a higher risk for spread (e.g., band, choir, science labs, locker rooms). When engaging in these activities within the school setting, schools will need to consider additional physical distancing or conduct the activities outside (where feasible). Additionally, schools should consider sharing explicit risk statements for higher risk activities (see section 5f of the *Ready Schools, Safe Learners* guidance).

### 2a. ENROLLMENT

*(Note: Section 2a does not apply to private schools.)*

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Enroll all students (includes foreign exchange students) following the standard Oregon Department of Education guidelines.</li> <li><input checked="" type="checkbox"/> Do not disenroll students for non-attendance if they meet the following conditions:               <ul style="list-style-type: none"> <li>• Are identified as high-risk, or otherwise considered to be part of a population vulnerable to infection with COVID-19, or</li> <li>• Have COVID-19 symptoms for 10 consecutive school days or longer.</li> </ul> </li> <li><input checked="" type="checkbox"/> Design attendance policies to account for students who do not attend in-person due to student or family health and safety concerns.</li> </ul>	<p>All students will be enrolled following ODE guidelines.</p> <p>No student will be dropped for non-attendance if they meet the conditions of having COVID 19 or being vulnerable to having it.</p>

## 2b. ATTENDANCE

(Note: Section 2b does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Grades K-5: Attendance must be taken at least once per day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning). <input checked="" type="checkbox"/> Grades 6-12: Attendance must be taken at least once for each scheduled class that day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning). <input checked="" type="checkbox"/> Provide families with clear and concise descriptions of student attendance and participation expectations as well as family involvement expectations that take into consideration the home environment, caregiver’s work schedule, and mental/physical health.	<p>Attendance for all students will be taken daily on instructional days.</p> <p>Attendance policies will encourage staff and students to stay home if someone in their home is sick.</p>

## 2c. TECHNOLOGY

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Update procedures for district-owned or <i>school-owned</i> devices to match cleaning requirements (see section 2d of the <b>Ready Schools, Safe Learners</b> guidance). <input checked="" type="checkbox"/> Procedures for return, inventory, updating, and redistributing district-owned devices must meet physical distancing requirements.	<p>Have school-owned devices only.</p> <p>Our Chromebooks are cleaned daily. Upon a student’s withdrawal, Chromebooks are inventoried, updated, and redistributed to new students.</p>

## 2d. SCHOOL SPECIFIC FUNCTIONS/FACILITY FEATURES

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> <b>Handwashing:</b> All people on campus should be advised and encouraged to wash their hands frequently. <input checked="" type="checkbox"/> <b>Equipment:</b> Develop and use sanitizing protocols for all equipment used by more than one individual or purchase equipment for individual use. <input checked="" type="checkbox"/> <b>Events:</b> Cancel, modify, or postpone field trips, assemblies, athletic events, practices, special performances, school-wide parent meetings and other large gatherings to meet requirements for physical distancing. <input checked="" type="checkbox"/> <b>Transitions/Hallways:</b> Limit transitions to the extent possible. Create hallway procedures to promote physical distancing and minimize gatherings. <input checked="" type="checkbox"/> <b>Personal Property:</b> Establish policies for personal property being brought to school (e.g., refillable water bottles, school supplies, headphones/earbuds, cell phones, books, instruments, etc.). If personal items are brought to school, they must be labeled prior to entering school and use should be limited to the item owner.	<ul style="list-style-type: none"> <li>● <b>Handwashing:</b> All students will access to frequent hand washing/sanitizing throughout the day.</li> <li>● <b>Equipment:</b> All classroom furniture and supplies will be cleaned and sanitized between class periods.</li> <li>● <b>Events:</b> Field trips are suspended. Meetings will be done virtually.</li> <li>● <b>Transitions/Hallways:</b> Classroom will be marked with visual clues.</li> <li>● <b>Personal Property:</b> Personal property is limited in the classrooms. Current rules prohibit borrowing or lending personal property.</li> </ul>

## 2e. ARRIVAL AND DISMISSAL

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Physical distancing, stable cohorts, square footage, and cleaning requirements must be maintained during arrival and dismissal procedures. <input checked="" type="checkbox"/> Create schedule(s) and communicate staggered arrival and/or dismissal times. <input checked="" type="checkbox"/> Assign students or cohorts to an entrance; assign staff member(s) to conduct visual screenings (see section 1f of the <b>Ready Schools, Safe Learners</b> guidance). <input checked="" type="checkbox"/> Ensure accurate sign-in/sign-out protocols to help facilitate contact tracing by the LPHA. Sign-in procedures are not a replacement for entrance and screening requirements. Students	<p>Students are visually screened daily.</p> <p>Students reside on site.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>entering school after arrival times must be screened for the primary symptoms of concern.</p> <ul style="list-style-type: none"> <li>Eliminate shared pen and paper sign-in/sign-out sheets.</li> <li>Ensure hand sanitizer is available if signing children in or out on an electronic device.</li> </ul> <p><input checked="" type="checkbox"/> Ensure hand sanitizer dispensers are easily accessible near all entry doors and other high-traffic areas. Establish and clearly communicate procedures for keeping caregiver drop-off/pick-up as brief as possible.</p>	<p>Hand sanitizer available at entrance to classroom.</p>

## 2f. CLASSROOMS/REPURPOSED LEARNING SPACES

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> <b>Seating:</b> Rearrange student desks and other seat spaces so that staff and students' physical bodies are six feet apart to the maximum extent possible while also maintaining 35 square feet per person; assign seating so students are in the same seat at all times.</p> <p><input checked="" type="checkbox"/> <b>Materials:</b> Avoid sharing of community supplies when possible (e.g., scissors, pencils, etc.). Clean these items frequently. Provide hand sanitizer and tissues for use by students and staff.</p> <p><input checked="" type="checkbox"/> <b>Handwashing:</b> Remind students (with signage and regular verbal reminders from staff) of the utmost importance of hand hygiene and respiratory etiquette. Respiratory etiquette means covering coughs and sneezes with an elbow or a tissue. Tissues should be disposed of in a garbage can, then hands washed or sanitized immediately.</p> <ul style="list-style-type: none"> <li>Wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.</li> </ul>	<ul style="list-style-type: none"> <li><b>Seating: Seating is permanently assigned to assure physical distancing.</b></li> <li><b>Materials: Personal sharing is prohibited. Community sharing is limited. Sanitizer and tissues are available for use by students and staff.</b></li> <li><b>Handwashing: Students and staff are required to wash/sanitize hands frequently throughout the day.</b></li> </ul>

## 2g. PLAYGROUNDS, FIELDS, RECESS, BREAKS, AND RESTROOMS

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Keep school playgrounds closed to the general public until park playground equipment and benches reopen in the community (see Oregon Health Authority's <a href="#">Specific Guidance for Outdoor Recreation Organizations</a>).</p> <p><input checked="" type="checkbox"/> After using the restroom students must wash hands with soap and water for 20 seconds. Soap must be made available to students and staff.</p> <p><input checked="" type="checkbox"/> Before and after using playground equipment, students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol.</p> <p><input checked="" type="checkbox"/> Designate playground and shared equipment solely for the use of one cohort at a time. Disinfect at least daily or between use as much as possible in accordance with <a href="#">CDC guidance</a>.</p> <p><input checked="" type="checkbox"/> Cleaning requirements must be maintained (see section 2j of the <i>Ready Schools, Safe Learners</i> guidance).</p> <p><input checked="" type="checkbox"/> Maintain physical distancing requirements, stable cohorts, and square footage requirements.</p> <p><input checked="" type="checkbox"/> Provide signage and restrict access to outdoor equipment (including sports equipment, etc.).</p> <p><input checked="" type="checkbox"/> Design recess activities that allow for physical distancing and maintenance of stable cohorts.</p> <p><input checked="" type="checkbox"/> Clean all outdoor equipment at least daily or between use as much as possible in accordance with <a href="#">CDC guidance</a>.</p> <p><input checked="" type="checkbox"/> Limit staff rooms, common staff lunch areas, and workspaces to single person usage at a time, maintaining six feet of distance between adults.</p>	<p>J Bar J Boys Ranch and J5 Program are private schools. Its campus is closed to the public.</p> <p>Cleaning requirements must be maintained.</p> <p>Outdoor activities are planned to support physical distancing.</p>

## 2h. MEAL SERVICE/NUTRITION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Include meal services/nutrition staff in planning for school reentry.</li> <li>☒ Staff serving meals must wear face shields or face covering (see section 1h of the <i>Ready Schools, Safe Learners</i> guidance).</li> <li>☒ Students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol before meals and should be encouraged to do so after.</li> <li>☒ Appropriate daily cleaning of meal items (e.g., plates, utensils, transport items) in classrooms where meals are consumed.</li> <li>☒ Cleaning and sanitizing of meal touch-points and meal counting system between stable cohorts.</li> <li>☒ Adequate cleaning of tables between meal periods.</li> <li>☒ Since staff must remove their face coverings during eating and drinking, staff should eat snacks and meals independently, and not in staff rooms when other people are present. Consider staggering times for staff breaks, to prevent congregation in shared spaces.</li> </ul>	<p>Face coverings are worn by kitchen staff.</p> <p>Students and staff are required to wash hands before all meals.</p> <p>Meals are held in designated dining rooms. All items, tables, and chairs</p>

## 2i. TRANSPORTATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Include transportation departments (and associated contracted providers, if used) in planning for return to service.</li> <li>☒ Buses are cleaned frequently. Conduct targeted cleanings between routes, with a focus on disinfecting frequently touched surfaces of the bus (see section 2j of the <i>Ready Schools, Safe Learners</i> guidance).</li> <li>☒ Develop protocol for loading/unloading that includes visual screening for students exhibiting symptoms and logs for contact-tracing. This can be done at the time of arrival and departure. <ul style="list-style-type: none"> <li>• If a student displays COVID-19 symptoms, provide a face shield or face covering (unless they are already wearing one) and keep six feet away from others. Continue transporting the student.</li> <li>• If arriving at school, notify staff to begin isolation measures. <ul style="list-style-type: none"> <li>○ If transporting for dismissal and the student displays an onset of symptoms, notify the school.</li> </ul> </li> </ul> </li> <li>☒ Consult with parents/guardians of students who may require additional support (e.g., students who experience a disability and require specialized transportation as a related service) to appropriately provide service.</li> <li>☒ Drivers wear face shields or face coverings when not actively driving and operating the bus.</li> <li>☒ Inform parents/guardians of practical changes to transportation service (i.e., physical distancing at bus stops and while loading/unloading, potential for increased route time due to additional precautions, sanitizing practices, and face coverings).</li> <li>☒ Face coverings or face shields for all students in grades Kindergarten and up following <a href="#">CDC guidelines</a> applying the guidance in section 1h of the <i>Ready Schools, Safe Learners</i> guidance to transportation settings.</li> </ul>	<p>School is attended at same site as residency. Students walk from resident to facility while maintaining physical distancing.</p> <p>If needed, transportation off campus is done with facility vehicles. Vehicles are cleaned after each trip.</p> <p>Hand sanitizer is available in each vehicle. Students and staff wash hands after each trip.</p>

## 2j. CLEANING, DISINFECTION, AND VENTILATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Clean, sanitize, and disinfect frequently touched surfaces (e.g., playground equipment, door handles, sink handles, drinking fountains, transport vehicles) and shared objects (e.g., toys, games, art supplies) between uses multiple times per day.</li> </ul>	<p>All frequently touched surfaces and shared objects will be cleaned between uses.</p> <p>CDC guidelines for cleaning will be followed.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>Maintain clean and disinfected (<a href="#">CDC guidance</a>) environments, including classrooms, cafeteria settings and restrooms.</p> <p><input type="checkbox"/> <a href="#">Clean and disinfect</a> playground equipment at least daily or between use as much as possible in accordance with <a href="#">CDC guidance</a>.</p> <p><input checked="" type="checkbox"/> Apply disinfectants safely and correctly following labeling direction as specified by the manufacturer. Keep these products away from students.</p> <p><input checked="" type="checkbox"/> To reduce the risk of asthma, choose disinfectant products on the EPA List N with asthma-safer ingredients (e.g. hydrogen peroxide, citric acid, or lactic acid) and avoid products that mix these with asthma-causing ingredients like peroxyacetic acid, sodium hypochlorite (bleach), or quaternary ammonium compounds.</p> <p><input checked="" type="checkbox"/> Operate ventilation systems properly and/or increase circulation of outdoor air as much as possible by opening windows and doors, using fans, and through other methods. Consider running ventilation systems continuously and changing the filters more frequently. Do <u>not</u> use fans if they pose a safety or health risk, such as increasing exposure to pollen/allergies or exacerbating asthma symptoms. For example, do not use fans if doors and windows are closed and the fans are recirculating the classroom air.</p> <p><input checked="" type="checkbox"/> Consider the need for increased ventilation in areas where students with special health care needs receive medication or treatments.</p> <p><input checked="" type="checkbox"/> Facilities should be cleaned and disinfected at least daily to prevent transmission of the virus from surfaces (see <a href="#">CDC's guidance on disinfecting public spaces</a>).</p> <p><input checked="" type="checkbox"/> Air circulation and filtration are helpful factors in reducing airborne viruses. Consider modification or enhancement of building ventilation where feasible (see <a href="#">CDC's guidance on ventilation and filtration</a> and <a href="#">American Society of Heating, Refrigerating, and Air-Conditioning Engineers' guidance</a>).</p>	<p>No playground equipment at facilities but sporting and game equipment are cleaned/sanitized after each use.</p> <p>Ventilation systems will be checked and maintained regularly by maintenance staff.</p> <p>Whenever possible, ceiling fans will be used with windows and doors and opened.</p>

## 2k. HEALTH SERVICES

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> OAR 581-022-2220 Health Services, requires districts to “maintain a prevention-oriented health services program for all students” including space to isolate sick students and services for students with special health care needs. While OAR 581-022-2220 does not apply to private schools, private schools must provide a space to isolate sick students and provide services for students with special health care needs.</p> <p><input checked="" type="checkbox"/> Licensed, experienced health staff should be included on teams to determine district health service priorities. Collaborate with health professionals such as school nurses; SBHC staff; mental and behavioral health providers; physical, occupational, speech, and respiratory therapists; and School Based Health Centers (SBHC).</p>	<p>J Bar J implements a health service plan for all resident students.</p>

## 2l. BOARDING SCHOOLS AND RESIDENTIAL PROGRAMS ONLY

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Provide specific plan details and adjustments in Operational Blueprints that address staff and student safety, which includes how you will approach:</p> <ul style="list-style-type: none"> <li>• Contact tracing</li> <li>• The intersection of cohort designs in residential settings (by wing or common restrooms) with cohort designs in</li> </ul>	<p>Visitors and contractors are screened for possible illness. All visitors are required to wear masks and face coverings.</p> <p>Logs are kept of visitors for contact tracing purposes.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>the instructional settings. The same cohorting parameter limiting total cohort size to 100 people applies.</p> <ul style="list-style-type: none"> <li>• Quarantine of exposed staff or students</li> <li>• Isolation of infected staff or students</li> <li>• Communication and designation of where the “household” or “family unit” applies to your residents and staff</li> </ul> <p>☒ Review and take into consideration <a href="#">CDC guidance</a> for shared or congregate housing:</p> <ul style="list-style-type: none"> <li>• Not allow more than two students to share a residential dorm room unless alternative housing arrangements are impossible</li> <li>• Ensure at least 64 square feet of room space per resident</li> <li>• Reduce overall residential density to ensure sufficient space for the isolation of sick or potentially infected individuals, as necessary;</li> <li>• Configure common spaces to maximize physical distancing;</li> <li>• Provide enhanced cleaning;</li> <li>• Establish plans for the containment and isolation of on-campus cases, including consideration of PPE, food delivery, and bathroom needs.</li> </ul>	<p>Residential cohorts are limited to under 15 students per sleeping facility.</p> <p>Exposed or infected staff are required to quarantine at home.</p> <p>Exposed or infected students will be isolated in separate building on-site.</p> <p>Common areas are configured and marked to maximize physical distancing.</p> <p>Masks or face shields are required to be worn by school staff.</p> <p>New student enrollment is limited in order to reduce residential density.</p> <p>New students are screened for COVID-19 before attending programs.</p> <p>Home visits are currently on hold.</p> <p>Communications protocols are established with parents/guardians and POs to keep them regularly updated.</p> <p>CDC’s guidelines for cleaning and disinfecting are being implemented.</p>

**2m. SCHOOL EMERGENCY PROCEDURES AND DRILLS**

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ In accordance with <a href="#">ORS 336.071</a> and <a href="#">OAR 581-022-2225</a> all schools (including those operating a Comprehensive Distance Learning model) are required to instruct students on emergency procedures. Schools that operate an On-Site or Hybrid model need to instruct and practice drills on emergency procedures so that students and staff can respond to emergencies.</p> <ul style="list-style-type: none"> <li>• At least 30 minutes in each school month must be used to instruct students on the emergency procedures for fires, earthquakes (including tsunami drills in appropriate zones), and safety threats.</li> <li>• Fire drills must be conducted monthly.</li> <li>• Earthquake drills (including tsunami drills and instruction for schools in a tsunami hazard zone) must be conducted two times a year.</li> <li>• Safety threats including procedures related to lockdown, lockout, shelter in place and evacuation and other appropriate actions to take when there is a threat to safety must be conducted two times a year.</li> </ul>	<p>Safety drills are performed monthly.</p> <p>Handwashing and sanitizing is performed after each drill.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Drills can and should be carried out as <u>close as possible</u> to the procedures that would be used in an actual emergency. For example, a fire drill should be carried out with the same alerts and same routes as normal. If appropriate and practicable, COVID-19 physical distancing measures can be implemented, but only if they do not compromise the drill.</li> <li>☒ When or if physical distancing must be compromised, drills must be completed in less than 15 minutes.</li> <li>☒ Drills should not be practiced unless they can be practiced correctly.</li> <li>☒ Train staff on safety drills prior to students arriving on the first day on campus in hybrid or face-to-face engagement.</li> <li>☒ If on a hybrid schedule, conduct multiple drills each month to ensure that all cohorts of students have opportunities to participate in drills (i.e., schedule on different cohort days throughout the year).</li> <li>☒ Students must wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol after a drill is complete.</li> </ul>	

**2n. SUPPORTING STUDENTS WHO ARE DYSREGULATED, ESCALATED, AND/OR EXHIBITING SELF-REGULATORY CHALLENGES**

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Utilize the components of Collaborative Problem Solving or a similar framework to continually provide instruction and skill-building/training related to the student’s demonstrated lagging skills.</li> <li>☒ Take proactive/preventative steps to reduce antecedent events and triggers within the school environment.</li> <li>☒ Be proactive in planning for known behavioral escalations (e.g., self-harm, spitting, scratching, biting, eloping, failure to maintain physical distance). Adjust antecedents where possible to minimize student and staff dysregulation. Recognize that there could be new and different antecedents and setting events with the additional requirements and expectations for the 2020-21 school year.</li> <li>☒ Establish a proactive plan for daily routines designed to build self-regulation skills; self-regulation skill-building sessions can be short (5-10 minutes), and should take place at times when the student is regulated and/or is not demonstrating challenging behaviors.</li> <li>☒ Ensure all staff are trained to support de-escalation, provide lagging skill instruction, and implement alternatives to restraint and seclusion.</li> <li>☒ Ensure that staff are trained in effective, evidence-based methods for developing and maintaining their own level of self-regulation and resilience to enable them to remain calm and able to support struggling students as well as colleagues.</li> <li>☒ Plan for the impact of behavior mitigation strategies on public health and safety requirements: <ul style="list-style-type: none"> <li>• Student elopes from area <ul style="list-style-type: none"> <li>○ If staff need to intervene for student safety, staff should: <ul style="list-style-type: none"> <li>● Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention.</li> <li>● Use the least restrictive interventions possible to maintain physical safety for the student and staff.</li> <li>● Wash hands after a close interaction.</li> <li>● Note the interaction on the appropriate contact log.</li> </ul> </li> <li>○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</li> </ul> </li> </ul> </li> </ul>	<p>Being residential treatment programs, supporting students’ social, emotional, and behavioral needs is an integral part of the daily milieu.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>• Student engages in behavior that requires them to be isolated from peers and results in a room clear.               <ul style="list-style-type: none"> <li>○ If students leave the classroom:                   <ul style="list-style-type: none"> <li>• Preplan for a clean and safe alternative space that maintains physical safety for the student and staff</li> <li>• Ensure physical distancing and separation occur, to the maximum extent possible.</li> <li>• Use the least restrictive interventions possible to maintain physical safety for the student and staff.</li> <li>• Wash hands after a close interaction.</li> <li>• Note the interaction on the appropriate contact log.</li> </ul> </li> <li>○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</li> </ul> </li> <li>• Student engages in physically aggressive behaviors that preclude the possibility of maintaining physical distance and/or require physical de-escalation or intervention techniques other than restraint or seclusion (e.g., hitting, biting, spitting, kicking, self-injurious behavior).               <ul style="list-style-type: none"> <li>○ If staff need to intervene for student safety, staff should:                   <ul style="list-style-type: none"> <li>• Maintain student dignity throughout and following the incident.</li> <li>• Use empathetic and calming verbal interactions (i.e. “This seems hard right now. Help me understand... How can I help?”) to attempt to re-regulate the student without physical intervention.</li> <li>• Use the least restrictive interventions possible to maintain physical safety for the student and staff</li> <li>• Wash hands after a close interaction.</li> <li>• Note the interaction on the appropriate contact log.</li> </ul> </li> <li>○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</li> </ul> </li> </ul> <p><input checked="" type="checkbox"/> Ensure that spaces that are unexpectedly used to deescalate behaviors are appropriately cleaned and sanitized after use before the introduction of other stable cohorts to that space.</p> <p><b>Protective Physical Intervention</b></p> <p><input checked="" type="checkbox"/> Reusable Personal Protective Equipment (PPE) must be cleaned/sanitized after every episode of physical intervention (see section 2j of the <i>Ready Schools, Safe Learners</i> guidance: Cleaning, Disinfection, and Ventilation).</p>	

### 3. Response to Outbreak

#### 3a. PREVENTION AND PLANNING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Coordinate with Local Public Health Authority (LPHA) to establish communication channels related to current transmission level.</li> <li><input checked="" type="checkbox"/> Establish a specific emergency response framework with key stakeholders.</li> <li><input checked="" type="checkbox"/> When new cases are identified in the school setting, and the incidence is low, the LPHA will provide a direct report to the district nurse, or designated staff, on the diagnosed case(s). Likewise, the LPHA will impose restrictions on contacts.</li> </ul>	<p>Coordinate communication with Health Department and follow their recommendations.</p> <p>Follow J Bar J’s Communicable Disease Protocol.</p> <p>Establish an emergency response framework with key stakeholders.</p>

### 3b. RESPONSE

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Follow the district's or school's outbreak response protocol. Coordinate with the LPHA for any outbreak response.</li> <li><input checked="" type="checkbox"/> If anyone who has been on campus is known to have been diagnosed with COVID-19, report the case to and consult with the LPHA regarding cleaning and possible classroom or program closure.               <ul style="list-style-type: none"> <li>• Determination if exposures have occurred</li> <li>• Cleaning and disinfection guidance</li> <li>• Possible classroom or program closure</li> </ul> </li> <li><input checked="" type="checkbox"/> Report to the LPHA any cluster of illness (2 or more people with similar illness) among staff or students.</li> <li><input checked="" type="checkbox"/> When cases are identified in the local region, a response team should be assembled within the district and responsibilities assigned within the district.</li> <li><input checked="" type="checkbox"/> Modify, postpone, or cancel large school events as coordinated with the LPHA.</li> <li><input checked="" type="checkbox"/> If the school is closed, implement Short-Term Distance Learning or Comprehensive Distance Learning models for all staff/students.</li> <li><input checked="" type="checkbox"/> Continue to provide meals for students.</li> <li><input checked="" type="checkbox"/> Communicate criteria that must be met in order for On-Site instruction to resume and relevant timelines with families.</li> </ul>	<p>Coordinate with Health Department for any outbreak response.</p> <p>Report to Health Department any illness.</p> <p>Work with Health Department to establish timely communication with staff, families, and other stakeholders.</p> <p>Implement short-term distant learning if school is closed.</p>

### 3c. RECOVERY AND REENTRY

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Plan instructional models that support all learners in Comprehensive Distance Learning.</li> <li><input checked="" type="checkbox"/> Clean, sanitize, and disinfect surfaces (e.g., playground equipment, door handles, sink handles, drinking fountains, transport vehicles) and follow <a href="#">CDC guidance</a> for classrooms, cafeteria settings, restrooms, and playgrounds.</li> <li><input checked="" type="checkbox"/> Communicate with families about options and efforts to support returning to On-Site instruction.</li> <li><input checked="" type="checkbox"/> Follow the LPHA guidance to begin bringing students back into On-Site instruction.               <ul style="list-style-type: none"> <li>• Consider smaller groups, cohorts, and rotating schedules to allow for a safe return to schools.</li> </ul> </li> </ul>	<p>Implement short-term distance learning model if necessary.</p> <p>Follow cleaning/sanitizing guidelines.</p> <p>Update parents/guardians and stakeholders.</p>

## ASSURANCES

*This section must be completed by any public school that is providing instruction through On-Site or Hybrid Instructional Models.*

*Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section.*

*This section does not apply to private schools.*

- We affirm that our school plan has met the requirements from ODE guidance for sections 4, 5, 6, 7, and 8 of the **Ready Schools, Safe Learners** guidance.
- We affirm that we cannot meet all of the ODE requirements for sections 4, 5, 6, 7 and/or 8 of the **Ready Schools, Safe Learners** guidance at this time. We will continue to work towards meeting them and have noted and addressed which requirement(s) we are unable to meet in the table titled "Assurance Compliance and Timeline" below.

## 4. Equity

## 5. Instruction

## 6. Family, Community, Engagement

## 7. Mental, Social, and Emotional Health

## 8. Staffing and Personnel

### Assurance Compliance and Timeline

If a district/school cannot meet the requirements from the sections above, provide a plan and timeline to meet the requirement.

List Requirement(s) Not Met	Provide a Plan and Timeline to Meet Requirements <i>Include how/why the school is currently unable to meet them</i>
